- The Red House Glass Cone is a geosite, located in the heart of the Black Country Global Geopark
- Visit England Quality Assessment score of 89%

The Red House Glass Cone is Grade II Star\* listed building completed circa 1794. It was used for glassmaking until 1936 and is now a visitor attraction. The Cone is a Scheduled Ancient Monument reaching 100 feet into the sky and one of only four complete cones left in the UK. If you wish to learn more about the history and heritage of the Cone, please refer to our on-site interpretation or pick up a copy of the Red House Glass Cone history book, available in the retail shop.

Come and join us for an amazing insight into the history and heritage of the Glass Quarter in Stourbridge.

Details correct at time of going to print. January 2022
